INDEPENDENT STUDY

The subject matter for this course is developed by the student with permission of the Department Chair and/or sponsoring faculty member. The subject matter must be relevant to an already existing course at an advanced level.

Requisites:

The student must:

1. have attained at least a 3.0 Grade Point Average.
2. be in their second year of an Associate Degree program or have successfully completed 30 hours.
3. have achieved a B or better in a course related to the proposed independent study topic.
4. submit the course proposal to their sponsoring faculty member, advisor, Department Chair, and Academic Dean for review and approval.
